SilkPeel Medical Microderm Series of 3 for
\$299 (\$450 value)

Not all microderms are created equal!

Silk Peel is a unique system and the only treatment of its kind that goes beyond any other microdermabrasion. It effectively treats all skin types and a wide range of dermatological conditions including hyperpigmentation (Brown Spots due to sun damage, hormones, birth control), acne, acne scarring, photodamage, dehydration, rosacea, tactile roughness and fine line wrinkles.

Eyelash Extensions Full Set

\$99 (\$150 value)

Minkys lashes are semi-permanent and with touch-ups can last up to two months. These faux "mink" lashes are light weight super silky and so soft you will want to pet them. Minkys Extensions are waterproof so you can shower, swim, spa and live your life with lush lashes without mascara. The application process is like a quick, relaxing trip to the eyelash spa.
