WHERE MEDICINE MEETS LUXURY

By
BODY DEL SOL
FRESNO, CALIFORNIA

B

ody del Sol is the 1st “Green” Spa in the Central Valley. Established in 2010, they have received the Mayor’s Award for being a “Green” Business two years in a row. They were also featured in three national spa magazines and were one of the People’s Choice winners 2017 for Best Cosmetic Medical Spa. We bring nature and science together for a more naturally beautiful you and a more beautiful planet. Our combined 40+ years experience in medicine and aesthetics ensures skill and safety for our patients.

Experience the ultimate in relaxation and rejuvenation, replenishing your body and soul.

WHO I AM

1. WHAT MAKES BODY DEL SOL UNIQUE TO FRESNO

It is the only green spa and brings unique services and treatments to the Central Valley that you would usually find in the Bay Area or LA.

2. HOW DO YOU SEE THE FUTURE OF BEAUTY CHANGING

The aesthetic industry is constantly evolving! New technology and less evasive/non-surgical solutions is a constant goal! People don’t have time for down time.

3. WHAT THREE ADJECTIVES DESCRIBE BODY DEL SOL

Trustworthy, Talented and Compassionate

4. WHAT MOTIVATES YOU TO LEARN ALL THE LATEST AND GREATEST OF METHODS IN AESTHETICS

The technology itself and our passion for improving the lives of our patients drives us to constantly upgrade ourselves.

5. HOW HAS SOCIAL MEDIA AFFECTED YOUR BUSINESS

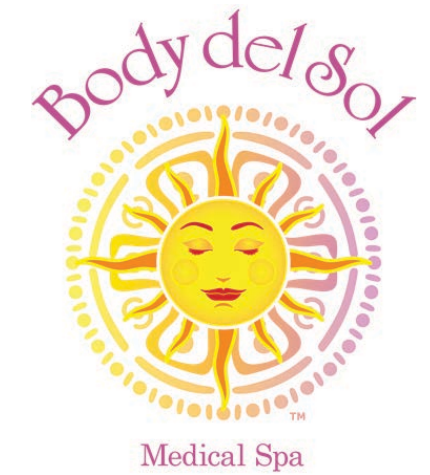

It has grown our business immensely! It is the clearest way to show and communicate our latest services, and stay connected to our new and present clients.

ABOUT AYDE MENDIBLES

Born and raised in San Jose, California, Ayde came to the Fresno area with a dream and determination to start a business that she loves! She has incorporated her American Indian and Latino heritage into herbal wisdom, enhancing beauty, wellness and healthy skin.

At 57 years young she is still going strong, ready to expand to a larger luxurious facility in North Fresno. Ayde explored day spas and medical spas around the world to derive the best of the best and bring it to Body del Sol. Her passion for skin care and education allows her staff to service their clients and to experience the difference of “Where Medicine Meets Luxury.”
